

Theodesia, July 6.-A correspondent of the Associated Press, who visited the Kniaz Potenkine in company with the mayor found the battleship commander by an elected committee of seven, head ed by "Ensign and Quartermanter" Alexief, a commissioned rank in the Russian navy. Alexief, a commissioned rank in the Russian navy. Mexica a full supply of ammunition. The crew cogisted of 750 men, and there were 15 more in the torpedo boat, No. 250. No officers were seen, but merst had a full supply of ammunition. The crew cogisted of 750 men, and there were 15 more in the torpedo boat, No. 250. No officers were seen, but it was gumored that there were several ensigns among the crew held prisoners and costumed as sailors. REPORTED SINKING OF THE BATTLESHIP.

REPORTED SINKING OF THE BATTLESHIP.

Odessa, July 6.-11.59 p.m.-It is re-ported that the Kniaz Potenkine has been blown up netar Odessa. Several torpedo boats were reported to be off Odessa has night. There are other signs of activity among the torpedo fleet.

STRENGTHENING THE ODESSA GARRISON.

St. Petersburg, July 6.-The Black Sea fleet has gone to Theodesia, accord-ing to rivices received by the admirally late this afternoon. Admiral Chouknin's warships left Sebastopol for Theodesia rt about noon to-day and should arrive there early this erening. The result is awaited with the most intense anxiety. Dispatches received from the governor efficience of martial law at Odessa, say that

Wood's Phosphodine is sold in Victoria by all responsible druggins.

Wood's Phosphodine,

t stifty to the benefit the whole world has realized from the enterprise and foresight of the Canadian railroads. This wheat land can only be appreciated by the world as its product reach the markets. Mere statistics and illustrated reports connot do justice to them. Personal visits such as we have paid and the great cargoes of grain that fornish the food of nations bring a proper realization of the possibilities of the great Canadian North-west.

west. "It is difficult to keep within the hounds when speaking of the millions of acres of wheat fields, but language simp-ly tails when we essay a description of the secenery opened to us through the Canadian Rockies by the Canadian Pa-cific railway. Our vocabulary is a wreck, and in the language of the Yan-kee, who for the first time stood on the summit of Pike's Peak, we manage to ejaculate, 'Gee whillikins.'"

General Kozloff, the governor-general of Moscow, has ordered the great hall of the blacky palace in the Kremlin to he real-corrigid and out he order, and a report is current that the Emperor in-tends to visit Moscow for the nurrises of delivering a manifesto summoning the representatives of the people.

Cokedale, a small camp near Living-stor, Mont, practically was wiped out by fire Thursday. Loss, \$20,000.

leto in details, accompanies the Concerning this eity, which is des-ribed as "the delight of the tourist, norticulturist, sportsman and artist, as well as the commercial centre for a far-ored district," the Times' article says,

"Nelson, the capital of the Koofenay, "Nelson, the capital of the Kootenay, has been well known as the centre of a large mining industry, and the chief commercial city of the district. Its at-tractiveness as a residential city, on ac-count of the beauty of scenery and its temperate and equable climate, is but just beginning to be realized, while the capabilities of the surrounding country for fruit growing are now proved beyond controrrest."

An extended notice follows of the adan extended notice follows of the ad-vantages offered by Nelson as an ideal residential city, and of the special op-portunities at hand for the investor in mining, frint growing and manufactur-ing.

The Week, Victoria.

Twenty-one years old is the Victoria Times-old enough to vote. In this woolly West few papers reach that are on account of the deadly disease-so fatal to journalists-known as Sherifitia. That our contemporary has escaped in-fection is a matter for congratulation. That is has choase to colority in high Tection is a matter for congratulation. That is has chosen to celebrate its birth-day in the most fitting way-the wide advertisement of the country of its nativity-is still more a matter of con-gratulation. Most of all is it to be con-rratulated on the way it has carried out-its worthy design.

ts worthy design, . The "Of Ago" edition is one of the The 'Of Ago' cannon is one of mose well gotical up publications which should be distributed not merely in Canada and the United States, but in every country in the Old World—for the excellent engravings will tell their own tale 'o, those who cannot read the letterpress. It is a book to attract the tourist and nleasure-seker: but it is wills o a book

those who cannot read the letterpress. It is a book to attract the tourist and pleasure-seeker; but it is 'also a book which speaks to the merchant, the manu-facturer and the capitalist of vast possi-bilities of trade and commerce only wait-ing to be developed. The developed. The developed of the province has been neg-lected in this publication. The descrip-tive articles are carefully written-opti-mistic as they should be, yet accurate in statements and with no undes "boom" exaggeration. As for the likestrations, their excellence may be judged when we say that they are the work of the B. C. Photo-Engraving Co., a company which, in the few years of its existence has so distinguished itself by artistic and accur-ate workmanship that if has well-nigh captured all the business of the province in this line, and has kept thousands of dollars in British Columbia which would, but for its presence, have been sent East or across the line. Many hoppy returns of the day to yon, brother Times. You have done the prov-ince a service and yourself honer.

Rossland Miner,

Hedley Gazette.

Following are some more of the nice things the various papers have said about the "Of Age" edition: Nelson News, The Victoria Daily Times has issued a sixty paged, profusely illustrated "coming of age" edition, to celebrate the twenty-first anniversary of the estab-lishment of the newspaper. Concisely, the edition is an illustrated review of the development of British. Columbin, and the advantages it has to offer the investor and settler. The publication is easily the most ambitions one ever attempted in this province, the cuts are well selected and excellently reproduced, while the reading mattey, which exhaustively covers the whole province, has been well and inter-estingly written and carefully edited. From a literary, artistie and news stand-point the publication is a valuable addi-tion to the annais of British Columba and a seview of the province, its re-

diss Emma Cole Says that Lydis E Pinkham's Vegetable Compound has Saved Her Life and Made Her Weil

How many lives of beautiful young girls have been sacrificed just as they were ripening into womanbood ! How many irregularities or displacements have been developed at this important period, resulting in years of suffering !

Ce

han's Vegetable Compound will at this time prepare the system for the coming change and start the menstrual period in a young girl's life without pain or irregularities.

it all to Lydia E. Finkham's Vegetable Com-ound. "When fourteen years of age I suffered al-most constant pain, and for two or three years I had soreness and pain in my side, headaches and was dizzy and nervous, and doctors all failed to help me. "Lydia E. Finkham's Vegetable Compound was recommended, and after taking it my health began to improve rapkily, and I think it saved my life. I sincerely hope my experi-ence will be a help to other girls who are pass-ing from girlhood to womanhood, for I know your Compound will do as much for them." If you know of any young girl who is sick and needs motherly advice ask her to write Mrs. Finkham, Lynn, Mass., and she will receive free advice which will put her on the right road to astrong, healthy and happy womanhood.

the advantages it has to offer the in the advantagettler.

abreast of the "times," and that every facility for work and speed will be the consideration of the management. We congratulate the Daily Times on the anniversary edition, and, wish it every success in upholding the interests of the province and in the stand it takes in the political arena.

Inland Sentinel.

Less than a month ago the Sentinel is Less than a month ago the Sentinel is-sued its quarter century commemorative number, and now comes the Victoria Times with a special issue celebrating its twenty-first birthday. The number con-sists of 44 newspaper pages of illustrated descriptive matter relating, not to Vic-toria afone, but covering the entire pro-vine. The issue, the "Of Age" edition, as it is entitled, contains much useful and interesting information attractively pre-
